Case No. AP14-001

ORDER DIRECTING CLERK TO POST
FOOTNOTE 3 ON COURT WEBSITE

TO THE CLERK:

The Court of Appeals orders the Court Clerk to separately post Footnote 3 of the above-captioned case on the Tribal Court website in a prominent place and location. Footnote 3 is as follows:

The Court of Appeals notes that Q.T.C. §30.20.010 and Q.T.C. §31.09.010 provide seemingly contradictory timelines for appeal and pose a trap for unwary litigant in the Quinault judicial system. The Court of Appeals also notes that, as of today, this seeming contradiction has not been resolved by the Quinault Business Council, and is not resolved by this case. Consequently, in an effort to promote the "just determination of every proceeding" pursuant to Q.T.C. §30.01.010, the Court of Appeals issues the attached Order to Clerk directing the Clerk's Office to prominently post this footnote in its entirety on the Court of Appeals website. We further note that our decision to hear this case on the merits is solely limited to the facts and circumstances of this case alone.

If for any reason, it is technologically or otherwise unfeasible to post this footnote on the Tribal Court website, the Clerk is

directed to report that fact to the Court of Appeals within
twenty (20) days.

Done this 8th day of May, 2014.
